Form DWS 726 Instructions
Direct Wine Sellers Excise Tax Report
(For Sellers Located Outside of Indiana)

Round all gallons to the nearest whole number for Lines 1 through 4.

Line 1. Direct Wine Gallons Sold: Enter all wine gallons (taxable and exempt) sold directly to consumers in Indiana. This figure is carried forward from the grand total on Schedule DWS 726 - Type A.

Line 2. Exempt Gallons Sold for Sacramental Purposes: Enter the number of wine gallons sold exempt of tax for sacramental purposes. This figure is carried forward from the grand total on Schedule DWS 726 - Type B. These gallons must also be included on Line 1 before they can be reported on this line.

Line 3. Gallons Returned to Winery: Enter the number of wine gallons returned to the winery. This figure is carried forward from the grand total on Schedule DWS 726 - Type C. These gallons must also be included on Line 1 in this month or a prior month before they can be reported on this line.

Line 4. Gallons Subject to Tax: Subtract Lines 2 and 3 from Line 1 to arrive at the taxable gallons sold into Indiana.

Line 5. Multiply Subject Gallons by Tax Rate: Multiply Line 4 times the tax rate of \$0.47 per gallon. Enter the gross tax amount on this line.

Line 6. Timely Payment Discount 1.5 Percent: Multiply Line 5 times the discount rate of 1.5 percent (.015) **if the tax return is filed and payment is remitted on time.** Enter the discount amount on this line. If the return is filed late or does not include the full payment, enter a zero on this line.

Line 7. Tax Due: Subtract Line 6 from Line 5 and enter the net tax due on this line.

Line 8. Adjustments Authorized by the Department of Revenue: Enter the dollar amount of any adjustment to tax. Reasons for adjustments may include an overpayment in a previous month or some other miscellaneous reason. **Approval from the Department of Revenue must be granted before this adjustment is listed.** Documentation must be attached to the tax return when claiming this adjustment. If the adjustment is a reduction in tax, enter the amount as a negative with brackets.

Line 9. Penalty: If the tax return is filed late enter 10 percent penalty amount on this line. Multiply Line 7 times 10 percent (.10) to calculate the penalty. If the calculation equals less than \$5.00, then enter the minimum amount of \$5.00. Any tax return with a postmark date after the twentieth day of the next month qualifies as a late filing. Even if there is no tax due a penalty of \$5.00 is due for a late filing.

Line 10. Interest: If the tax return is filed late, interest must be calculated and paid on the past due tax amount. Contact the Department of Revenue (317) 615-2562 for instructions on how to calculate the interest.

Line 11. Total Amount Due: Sum the totals on Lines 7, 8, 9 and 10 and enter the amount on this line. If Line 8 is a negative adjustment, be sure to subtract it. This line is the total amount owed. Make a check payable to the Indiana Department of Revenue and enclose it with the tax return.

Note: If the due date falls on a weekend or holiday, the return will be due the next business day.
